**MESSAGE:**

Dr. Walker, Good to see you this morning, and look forward to Friday.

On Sembler's Brookhaven project, the company has asked (see attached letter) if we could have another Authority meeting at the end of September. This would let them close sooner. Do you think that's workable?

Thanks. Dan

Re: Development Authority of DeKalb County Taxable Industrial Development Revenue  
Bond (Sembler Bell Brookhaven, LLC Project), Series 2008

Dear Dr. Walker:

I am writing on behalf of the Company in the above-referenced matter to request that the Development Authority schedule a special meeting towards the end of this month for the adoption of the Bond Resolution for this bond issue.

We apologize for any inconvenience to the members of the Development Authority. Although more time is needed for the documentation related to this complex transaction, in order to meet our schedule for closing we would very much like to have the Bond Resolution adopted this month.

A special meeting on Tuesday, September 30 would be ideal, but if that is not convenient for the Development Authority's members, then a meeting on any date around then would be very much appreciated.

Thank you for your consideration of our request.

Very truly yours,

SEYFARTH SHAW LLP
